

NOTICE TO COMPETITORS

Number: 1

Date: 21st January 2022

Time: 17:00

Event: 420 Winter Championship 2022

Organising Authority: WPNSA

Authorisation of Recording Equipment

The Organising Authority have agreed that Freya Sewell and Arlo Braund (sail number GBR 56007/Bow Number 20) may use a GoPro recording device on their boat for the 420 Winter Championship 2022 so the footage may be used for their GCSE course.

The device must be installed totally within the envelope of the boat in its normal racing trim, not including crew on a trapeze or spinnaker flying. It can not affect the overlap of the boat with another nor cause contact with another boat that would not otherwise occur.

Any data recorded is not admissible in protests or claims for redress and the information will not be published other than for the purpose of the examination in question.
