The gate code will be provided on Thursday via the event WhatsApp. If you need it beforehand please contact the club directly.

### **Communication**

We will be using the event WhatsApp that has been used for previous events. This is entitled "420 HISC Qualifier 2". If you don't have access to the WhatsApp group you'll need to ask to be added to the group.

### **Registration**

There will be an online registration via the event WhatsApp group. Sailors must register between 8.00am and 9.30am by providing:

- Name of crew + helm
- Bow number
- Sail number being used for event

### **Competitor Briefing**

There will be a competitor briefing in the main bar at 9.15am.

### **Trolley Tallies**

All competitors should attend the HISC reception to collect a trolley tally. This needs to be attached to your trolley (in a visible position) before going afloat.

### **Button Numbers**

Don't forget to submit your button numbers before 9.30 on Saturday morning. The link to the button number form can be found on the event page on the Class website.

### **Sail Numbers**

Please ensure that the sail number that you are using for the event matches your entry/registration.

### **Video Equipment**

If you wish to use onboard video equipment you must obtain written permission to do so from the Race Committee. Recorded data may not be used in protests or redress hearings. The device must not protrude beyond the hull. Spare batteries must be carried by competitors.
