

## 2021 Events

For 2021 we are looking to provide more racing opportunities; sailors do not have to attend all events - they should pick events that will help them achieve their goals and objectives. To help you to decide which events to attend:

<b>Class Events</b>	<p>There are 2 Class Event Series throughout the year:</p> <ol style="list-style-type: none"> <li>1. Championship</li> <li>2. Grand Prix</li> </ol> <p>Championship events will be used to select for Worlds/European/Youth Squad as per relevant Selection Policies.</p> <p>Grand Prix events are a great opportunity for sailors to sail in different venues and conditions.</p>
<b>British Nationals:</b>	A great event for new crews to get together for their first event whilst for more experienced sailors the opportunity to be the 420 British National Champion
<b>World/ European Team Selection:</b>	See separate Team Selection Policy; normally selected from Winter Champs, Inland Champs and RYA Youth Nationals
<b>Youth Squad Selection:</b>	Selection Policy to be issued by the RYA during 2021. Selection event/indicator will be confirmed by the RYA once policy issued; expected to be Late Summer Champs and Autumn Champs.
