

Dale Yacht Club joins Celtic Sea Watersports in welcoming all competitors and their families to the 2024 British 420 National Championships

We encourage you, as temporary members of the Club, to use all our facilities. Toilets, changing rooms and showers are downstairs. Parents should be aware that these facilities are open to all Coco's customers. Upstairs is an attractive bar and terrace both with panoramic views of the bay, a restaurant (run by Coco's Brasserie) and a family room with pool table etc. All we ask is that sailors remove wet clothing before going upstairs! Tokens for the showers are available free of charge for sailors from the race office or from the bar in Coco's. The Village (Coronation) Hall has also been booked for the use of the event organisers and competitors. We look forward to meeting you over the weekend and sharing our beautiful little piece of Wales with you.
